Dear Friend of CT Panthers,

I am writing to request your support for an organization that truly benefits young men and women in your community.

The organization, CT Panthers AAU, is a basketball program in Northeast Connecticut that offers a high level of competition. Our organization prides itself on building character and integrity, through hard work, teamwork, and in the spirit of good sportsmanship. Our goal is to create student athletes that will take what they have learned during their years of AAU basketball, and use these skills to be productive in the communities in which they live.

Unfortunately, these programs are expensive and that is why we are raising funds to help pay for equipment, gym time, and tournaments. Your sponsorship will help these young men and women achieve their goals.

Participation in our sponsorship program also comes with some benefit to you. You could receive recognition at all CT Panther fundraising events and your company could be advertized on our website, www.ctpanthers.net. You could also receive a team photograph and a plaque to display at your place of business. In addition, CT Panthers is a registered 501C3 non-profit organization, and as such, any level of sponsorship will be tax deductible.

If you are interested in supporting this valuable program, please fill out the attached form and return it in the self-addressed stamped envelope. We truly appreciate your support and thank you in advance for any financial assistance you may be able to offer. For additional information, please contact Mike Holmes, President at 860-620-2078.

Sincerely,

A handwritten signature in black ink, appearing to read "Mike Holmes". The signature is fluid and cursive, with a long horizontal line extending to the right.

Mike Holmes,
President CT Panthers
